Headline:
Widely sunny and dry. Occasionally breezy.

Today:
Dry and mostly sunny this morning. A little more cloud expected into the afternoon but a good amount of sunshine still on offer. Breezy at times, particularly along the Kent coast. Maximum temperature 13 deg C (55 deg F).

Tonight:
A mostly clear and dry night to come. Winds easing and becoming rather chilly by morning, giving the chance of a rural frost and mist patches in a few places. Minimum temperature 2 deg C (36 deg F).

Monday:
Dry and sunny through the morning after a chilly start. Cloud increasing from the west during the afternoon though remaining dry. Light winds throughout. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Rather cloudy on Tuesday with some rain or drizzle. Brighter spells and mainly dry Wednesday, though probably clouding over later. Often dry, but cloudy during Thursday. Fairly mild.
